

Sports Camp

Sports camp introduces campers to a variety of sports, while placing an emphasis on teamwork and sportsmanship. While taking part in sports such as soccer, lacrosse, softball and tennis, campers will also participate in traditional camp activities and playground games. Each camp day ends with a closing circle that allows campers to discuss their day, reflect and come together as a team.

Instruction in sports is combined with play to encourage everyone to improve their skills in a non-pressuring and exciting atmosphere. Emphasis is always placed on enjoyment and sportsmanship and not the final score. Guided by our counselors, campers learn that cooperation and encouragement are part of building a successful team.
